## Approved For Release 2007/02/08: CIA-RDP91-00682R000200040037-9

1. Mr. Frank Ball, Jr. called to discuss the proposition presented to the Director by and the Old Dominion Research & Development Corporation concerning which Congressman Lucas of Texas had talked to General Smith on 17 February.  2. WLP informed Mr. Borden, Exec. Dir. of Joint Congressional Atomic Energy Committee that CIA had no objection to the publication of the proposed report entitled "Soviet Atomic Espionage".  3. Delivered letters to Loyalty Review Board clearing Cases 24 & 32. STATIN 4. A meeting was held attended by Mr. Saunder Mr. J. D. Andrews and myself to consider the letter of Dr. Meredith F. Burrill, Director of Geography of the Department of Interior. Dr. Burrill requests CIA consider taking over the work of the Board on Geographical Names. CIA will reject this request on the basis that the work is being adequately performed at present by the Board through the working fund arrangements and there is no legal basis on which we could take it over.
